

MOBILE PLANT OPERATIVE, TUBNEY WOOD

The Hills Group is a private family owned business with a broad and successful portfolio of business activities dating back to 1900 with three key divisions – Hills Waste Solutions, Hills Quarry Products and Hills Property.

Hills Quarry Products Ltd requires a Mobile Plant Operative to join their team based at their Tubney Wood quarry in Abingdon. Reporting to the Site Foreman, the main responsibilities and duties are to operate, maintain and repair mobile plant machinery.

You will have experience in operating and maintaining and hold plant operators licenses for Loading Shovel, Excavator and Dumper machinery. Awareness of the Quarry Regulations 1999 is essential as is to be Health and Safety and Safety Inspection trained. Desirable qualities include mechanical abilities and NVQ Level 2 (SPMO)

The successful candidate will have good communication skills and be confident interacting with colleagues and external customers and contacts. Similar experience in a relevant environment would be advantageous.
