

## Transport supervisor, Bristol

**Hills Waste Solutions Ltd is seeking a transport supervisor to join the transport team, operating from our Bristol depot (Able Waste Management).**

The main responsibilities of this role, which reports to the depot manager, is to efficiently organise and control the operation of the LGV fleet, in the collection and disposal of waste, in order to achieve driver and vehicle production targets.

Key tasks include:

- To ensure the company's compliance with the Road Traffic Act and Environmental Protection Act
- To route vehicles efficiently, to minimise dead mileage and ensure maximum productivity
- To complete a production report and to check and file driver tachograph cards
- To issue sales prices and action and to receive and execute customer orders
- To record all orders and allocate to vehicles
- To monitor stocks of waste containers and ensure availability of specific types for new contracts.

Successful candidates will hold a Class C licence and a DCPC card, be highly organised, a competent Word and Excel user and have excellent communication and customer skills. Applicants should be conscientious and a team player.

**Please email your CV to [join@hills-group.co.uk](mailto:join@hills-group.co.uk) or contact the Hills recruitment hotline on 01793 781199 for an application pack quoting the relevant Vacancy Reference HGL794.**

*The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.*
