Vehicles driving around the recycling plant	5	1	5	Students wear bright coloured tops provided by Hills Walk on footpaths where available

Additional notes:
This excursion has run successfully three times over the last two years.

Potential Outcome	Numeric al Value	Likelihood/ Probability	Numeric al Value
Minor injury	1	Unlikely	1
Injury needing medical attention	2	Low possibility	2
Injury-off work/school	3	Possible	3
Serious injury/long term	4	Probable	4
Fatality	5	Near certainty	5

Risk Rating	
1 – 5	LOW
6 – 12	MED
12 +	HIGH

Low Risk	Visit may proceed
Medium Risk	Consultation with Head required
High Risk	VISIT MAY ONLY PROCEED WITH COUNTY APPROVAL
