

Hills trade waste

Suitable for lightweight, compactable commercial waste such as plastic, paper, cardboard and black bagged waste streams.

Waste is tipped into a dust cart-style vehicle quickly and easily on the customer's site. A container range is also available for recyclables. Containers are available up to 1,100 litres to suit customer requirements.

KEY FEATURES

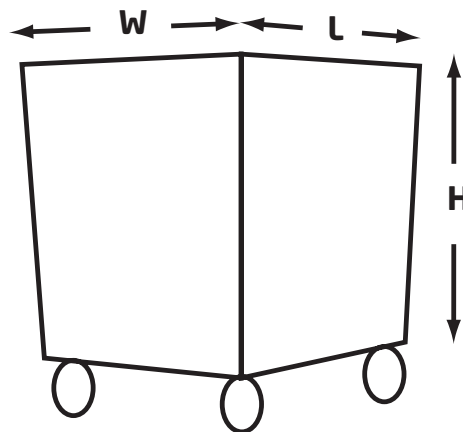

- Lightweight wheeled container allows easy manoeuvrability
- Drainage plugs for easy cleaning
- Size and design ensures on-site reduced visual impact
- Brake to secure positioning
- Meets *Duty of Care* obligations & CE Standard
- Can be used inside or outside
- Scheduled collection to suit customer needs
- Keys provided to lock containers for safety and security.

SUITABLE WASTE TYPES

- Packaging waste
- Dry non-hazardous waste
- Compactable commercial and industrial waste
- Low-density waste.
