

NEWS RELEASE

Westbury RFC secures funding for club improvements

Photo opportunity: Journalists and photographers are welcome to attend on Tuesday 9 April 2013 at 5pm at Westbury RFC, White Horse Country Park, Coach Road, Westbury Wiltshire BA13 4LU. Representatives from Hills, Community First and the Westbury RFC will be available for interview and photographs

Rugby players from Westbury RFC are celebrating after receiving a £45,000 grant that will kick-off works to build new shower and changing facilities for the club.

Club representative, Theron Bates, explained the significance of the funding: "We are expanding the club house and need to build more changing, toilet and showering facilities. The money we have received today will be used for the first phase which is to install a new sewerage treatment plant. Without it, the whole project would not be able to go ahead."

The funding was made available by the Hills Group through the Landfill Communities Fund which is administered for Hills by Community First, Wiltshire's rural community council.
