Hills kit out Calne FC for a 7th season

Calne Town Football Club in their new kit for the 2017/18 season.

The Hills Group has continued its longstanding relationship with Calne Town Football Club by renewing its sponsorship deal with the Toolstation Western League club for a 7th consecutive season.

Gary McKinnon, divisional director Hills Waste Solutions, joined the team for the official photo (pictured front row, centre), before their first home match of the season and commented: "Calne Town Football Club is on our doorstep and many of our employees live in the town so we are really pleased to continue our support. We wish the Lilywhites every success in the 2017/18 season."

Calne Town FC chairman Garry Murphy added: "Hills' sponsorship has been an integral part of this football club for seven years. We are a community club and we try to bring people together. We still need funds to improve and maintain facilities like the clubhouse roof, however Hills is part of the heartbeat of this club and long may that continue".
