

## Environment technician (Swindon)

**Hills Waste Solutions Ltd is seeking an environment technician to join the Waste Solutions Compliance team in Swindon.**

Reporting to the technical officer, the main purpose of the role is to monitor and report on leachate extraction systems at Hills landfill sites in Swindon and Purton.

Key responsibilities include:

- Operate a Leachate Treatment Plant (LTP) to ensure that the environmental permit and discharge consent are adhered to
- Effect daily repair, testing and maintenance to the LTP and additional leachate treatment systems at Purton as required
- Routinely sample, monitor and analyse leachate, landfill gas, surface and ground waters at the sites
- To record all environmental monitoring results and to produce reports on sampling and monitoring
- To liaise with the technical and operational staff to ensure that the company's environmental monitoring requirements/obligations are delivered to schedule.

Ideally, candidates will have previous experience in a similar role, preferably within the waste industry and have skills and knowledge surrounding the sampling, monitoring and analysis of substances and liquids.

You must be computer literate and able to maintain and report from the company's environmental database. Candidates are required to have a current clean driving licence and enjoy a mixture of inside and outside work, as well as be familiar with current waste legislation.

A commercial vehicle will be provided to the successful candidate for business mileage during working hours. Travel to and from work will also be considered.

CIWM membership or equivalent would be a distinct advantage.

**Please email your CV to [join@hills-group.co.uk](mailto:join@hills-group.co.uk) or contact the Hills recruitment hotline on 01793 781199 for an application pack quoting the relevant Vacancy Reference HGL845.**

*The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.*
