

Mobile plant operative (Mortimer)

Hills Quarry Products Ltd is recruiting a mobile plant operative, to join the production team, at our new sand and gravel quarry near Reading, Berkshire.

Reporting to the quarry manager, the main responsibilities and duties are to operate and maintain mobile plant machinery.

The successful candidate will have experience in operating, maintaining and hold plant operator's licences for loading shovel machinery and will be ideally qualified to NVQ/QCF Level 2 (SPMO). The ideal candidate will also have an awareness of the Quarry Regulations 1999.

Candidates must have previous experience using mobile plant including loading shovel, dumpers and 360° excavators in a similar environment and ideally hold certified tickets. Some mechanical understanding would be an advantage.

Please contact the Hills recruitment hotline on 01793 781193 for an application pack, quoting the vacancy reference HGL852.

The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.
