

## Recycling area manager (Calne)

**Hills Waste Solutions Ltd is seeking a recycling area manager to join the existing team at Lower Compton, Calne.**

The main responsibility of the role is to manage and control the safe operation of the Amesbury Waste Transfer Station, Purton and Lower Compton Household Recycling Centre's and the Materials Recycling Facility in Calne.

The role includes managing a large team over various sites, ensuring compliance of all licenses, ensuring productivity and service targets are met and to ensure all operations take place in accordance with health and safety legislation.

Managing and motivating the workforce and ensuring that sufficient resources are available to deliver a high quality service will be a key task, along with liaising with the transport depots to maintain site capacity.

This varied role requires the successful candidate to be able to demonstrate excellent organisational and interpersonal skills, both verbal and written. As the post looks after a large team, management experience and the ability to build strong working relationships will be essential. Experience of working in the waste and recycling or transport industries would be advantageous.

**Please email your CV to [join@hills-group.co.uk](mailto:join@hills-group.co.uk), quoting the vacancy reference HGL 867.**

*The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.*
