

Weighbridge Operative (Royal Wootton Bassett Rail Depot)

Quarry Products requires a weighbridge operative to join the company, at our rail depot operation in Royal Wootton Bassett.

Reporting to the rail depot manager the main purpose of the role is to maintain and operate the Weighbridge office and the processing of vehicles, in and out of site, by a computerised weighing system.

The weighbridge operator is the first point of contact for drivers to the site therefore a good level of customer service skills will be required. Typical duties will also include various administration activities, maintaining records both manually and electronically as well as dealing with telephone enquiries.

Successful candidates must be proficient in the use of IT systems and have good administration skills. Excellent communication and interpersonal skills are also required. Experience within the Quarry industry or in a similar role would be advantageous.

Please email your CV to join@hills-group.co.uk quoting the vacancy reference HGL878. Alternatively contact the Hills recruitment hotline on 01793 781199 for an application pack
