

Environment and quality manager (Swindon)

Hills Waste Solutions Ltd is looking to recruit an experienced environment and quality manager. Reporting directly to the compliance manager, they will be responsible for ensuring a positive and proactive approach to environmental and quality management, within the business.

Working as part of a small team, with sites across Wiltshire, this is a great opportunity to join an organisation which is committed to driving forward environmental compliance and quality performance. This is a great opportunity to join a growing organisation and to work on a range of interesting projects.

Responsibilities will include:

- Ensuring compliance with all relevant legal requirements
- Working closely with the management team to develop and implement environment policies and procedures, in line with the evolving needs of the business
- Engaging at all levels across the organisation to embed E&Q best practice
- Maintaining the company's external environmental and quality management certifications
- Conducting regular audits, compiling reports and communicating performance across the company
- Acting as the key environmental point of contact for a range of stakeholders, including regulators and customers
- Leading on programmes of work relating to E&Q.

Qualifications and experience:

- Experience in a similar environment and quality management role
- A proven track record of improving performance
- Experience within the recycling and waste management industry
- Qualified to degree level in environmental science, planning, sustainable development or a related discipline
- Membership of the Chartered Institute of Waste Management (CIWM) would be desirable.

Hills Waste Solutions offers a range of specialist waste management and recycling services to both the public and private sector. It is a dynamic regional business which, while centred on Wiltshire, has stretched its boundaries into neighbouring areas to become one of the region's largest providers of waste solutions. Hills Waste Solutions is a wholly owned subsidiary of The Hills Group Limited, a privately owned family company established in 1900.
