

Construction manager (Swindon)

An exciting opportunity has arisen for a construction manager to join the Hills Homes team at County Park, Swindon.

Hills Homes Developments, through its popular Hills Homes brand, has established a strong reputation for building high quality homes on carefully selected sites in Wiltshire and neighbouring areas – from major developments in large towns to smaller ones in rural towns and villages. In addition to its own developments, Hills Homes Developments is also a successful contract builder. Hills Homes Development is a wholly owned subsidiary of The Hills Group Limited, a privately owned family company established in 1900.

Operating in the Wiltshire and bordering counties, the construction manager will oversee circa six live sites, with the responsibility for the safe management and control of the company's construction activities and lead on the principal contractor role under CDM. Reporting to the Group director, the position will have direct reporting from site managers and will be responsible for the management and control of sub-contractors and suppliers.

Key skills and experience:

- Demonstrable experience as a construction manager within the housebuilding sector, managing multiple sites
- Excellent knowledge of health and safety legislation, building regulations and LABC and NHBC standards
- Focused on customer service and providing exemplary build quality on handover
- Strong people management – building successful collaborative working relationships, both internally and externally
- Able to organise, motivate and manage effectively all direct reports, ensuring objectives and high performance standards are met.

The ideal candidate will have experience of managing multiple sites in the housebuilding sector and have a proven track record of successful project completion. They will have excellent communication skills, both written and verbal and lead with a team-building ethos.

A full driving licence is essential, as travel to sites will be required.
