

Weighbridge Operator (Calne)

Hills Waste Solutions requires a weighbridge operator to join the team at our Calne site.

The main purpose of the role is to maintain and operate the weighbridge office and the processing of vehicles in and out of the site, via a computerised weighing system.

The weighbridge operator is the first point of contact for drivers at the site, therefore a good level of customer service skill will be required. Typical duties will also include various administration activities, maintaining records both manually and electronically, as well as dealing with telephone enquiries.

Successful candidates must be proficient in the use of IT systems and have good administration skills. Excellent communication and interpersonal skills are also required.

Experience in a similar role or within the waste industry would be advantageous.

Please email your CV to join@hills-group.co.uk quoting the vacancy reference HGL1171.

The Hills Group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.
