

## Mobile plant operative (Amesbury)

**Hills Waste Solutions requires a mobile plant operative, to work at our Recyclables Management Facility at Amesbury.**

Reporting to the recycling area manager, the main purpose of the role will be to operate fixed and mobile plant. Additional responsibilities include repair and maintenance work on fixed and mobile plant and to ensure all plant and machinery on site is operated and maintained in a safe and approved manner.

The successful will also assist the site supervisor in weighbridge, office and other site administration duties and undertake these duties in the site supervisor's absence.

The successful candidate will be experienced and hold a current license to operate a telescopic handler or 360 material handler and be physically fit to undertake manual handling activity.

Applicants will have good communication, interpersonal and IT skills and be effective team players.

Experience within a waste or recycling operation environment would be a distinct advantage.

Working hours are 42.5 hours per week, Monday to Friday, and there will also be a requirement to work some Bank Holidays and up to eight Saturdays per year, of which prior notice will be given.

Closing date: 14 August 2020

**Please email your CV to [join@hills-group.co.uk](mailto:join@hills-group.co.uk) or contact the Hills recruitment hotline on 01793 781193 for an application pack quoting the reference HGL1252.**
