

Core hours relief LGV driver

Hills Quarry Products has an exciting opportunity for a Core hours relief LGV driver to join the transport team. This varied role will provide relief cover across all of our sites and require you to drive various vehicles.

The main responsibilities of the role, which reports to the Transport Manager, are to drive various allocated vehicles including Sweepers, Mixers, Tippers and Class 1 and 2 vehicles. Engaged in the movement of aggregates, ready mixed concrete and soil/site clearance using 4, 6 and 8 wheeled rigid and articulated vehicles. The ability to complete associated documentation, in line with legal compliance and sales transactions is essential.

The successful candidate will be responsible for the associated vehicle safety checks and to comply with the Company's safety procedures and road traffic legislation and regulations.

Applicants should have a clean Class 2 and preferably Class 1 (C+E) licence and relevant experience. A current driver CPC is also essential.

Candidates should be conscientious, hard-working team players, who are physically fit to carry out manual handling activities. You should have previous work experience in a relevant post and recognise the importance of excellent customer service.

Please email your CV to join@hills-group.co.uk or contact Hills on 01793 781199 for an application pack quoting the vacancy reference HGL1241.

The Hills Group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.
