

Trainee Mobile Plant Operative

Woodsford, Dorset

Hills Quarry Products is recruiting a Trainee Mobile Plant Operative for our Woodsford Quarry in Dorchester.

We are looking for an enthusiastic and committed individual, who is interested in a career within quarrying. Full training will be provided, which will include licenses to drive a variety of mobile plant machinery, including Loading Shovel, as well as NVQ and Health & Safety training. The training takes approximately 12 months to complete and provides qualifications in Mobile and Static Plant Operator with Level 2 Diplomas in Plant Operations and Processing Operations.

Reporting to the Quarry Manager, the successful candidate will have an aptitude for operating plant machinery and an interest in mechanical operations. Some mechanical understanding would be an advantage. Applicants must be physically fit to carry out manual handling activities.

Previous experience or knowledge of plant machinery operations is advantageous but not essential.
