

# Household Recycling Centre and Waste Transfer Station Manager Amesbury

**Hills Waste Solutions has a great opportunity for a Household Recycling Centre and Waste Transfer Station Manager to join us at our Recyclables Management Facility in Amesbury, Wiltshire.**

## **About the role**

You will be responsible for the management of the Household Recycling Centre and Waste Transfer Station, ensuring they operate in accordance with legislation, company policies and procedures. The main duties are to plan, organise and control operations through effective management ensuring financial performance and profitability.

Management of safety and environmental requirements at all sites is of paramount importance and you will ensure compliance with all applicable legislation.

Managing performance through effective people and resource management is a primary part of this role, as is reporting against KPIs and meeting financial budget requirements. Responsibility for the continual training and development of multi-disciplined staff on site and to set appropriate targets that deliver continual improvements

## **About you**

- Motivated and organised
- Previous experience in waste management operations
- Certificates of Technical Competence or working towards this qualification
- Excellent understanding of Waste Legislation
- Ability to manage a diverse team and lead by example
- Competent in Word, Excel and Outlook with excellent report-writing skills
- Full UK Driving Licence
- Institution of Occupational Safety and Health Qualification or similar would be an advantage.

**Please email your CV to [join@hills-group.co.uk](mailto:join@hills-group.co.uk) or contact Hills on 01793 781199 for an application pack quoting the Vacancy Reference HGL1372.**

*The Hills Group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.*
