

Compliance Coordinator Lower Compton

Hills Waste Solutions is looking to recruit a Compliance Coordinator to join the team based at our Lower Compton site.

Reporting directly to the Compliance Manager, the successful applicant will be responsible for organising and planning activities to support the achievement of a programme of work within the Hills Waste Solutions division.

A key part of the role is to coordinate the periodic medicals for employees along with updating and maintenance of the compliance and training database (BSI Entropy). You will also be required to provide monthly reports to different levels of the organisation and support the work associated with achieving carbon reduction and Net Zero.

Applicants will need excellent communication and interpersonal skills, be a team player and have a good knowledge of Microsoft packages. This role would ideally suit someone looking to develop in a health and safety/compliance role and offers the opportunity to work in a regulated/legislative environment across the waste sector.

Please email your CV to join@hills-group.co.uk or contact Hills on 01793 781199 for an application pack quoting the relevant Vacancy Reference HGL1428.

The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.
