

Concrete Mixer Driver

Hills Quarry Products Ltd is looking for an LGV Class 2 Concrete Mixer Driver at our Quarries across Wiltshire, Oxfordshire and Gloucestershire.

Hills Quarry Products specialises in the production and supply of quarry products and ready-mixed concrete and is one of the South West's largest suppliers. We currently operate 6 ready mixed Concrete Plants in Cirencester, Calne, Gloucester, Dorchester, Upwood (South of Oxford) and Newbury.

The main purpose of the role is to drive an allocated vehicle engaged in the movement of concrete products and to complete associated documentation, in line with legal compliance and sales transactions.

Applicants should have a clean Class 2 license, a valid CPC card and a digi-tacho card.

Candidates should be conscientious, hard-working team players, who are physically fit to carry out manual handling activities. You should have previous experience of driving a Concrete Mixer and recognise the importance of excellent customer service.

Please email your CV to join@hills-group.co.uk quoting the vacancy reference HQP011-22.

The Hills group is committed to monitoring and maintaining equal opportunities and welcomes applications from all sections of the community.
