

Trainee Manager

Wiltshire

Would you like to become one of our managers of tomorrow?

Hills Waste Solutions and Hills Municipal Collections have an exciting opportunity for a motivated individual to join their management training programme and become part of the exciting succession plan for our business.

You will have the opportunity to work and develop skills across the commercial collection, direct disposal, municipal and support services functions. We will aim to support you to specialise in the area that you feel most passionate about furthering your career in.

The programme you will help you develop the skills, competencies and behaviours needed by our managers of tomorrow. You will learn from capable mentors who were once in your shoes.

You will gain professional and industry specific qualifications in the following whilst receiving on the job training:

- Institute of Leadership and Management Level 3 qualification
- National Examination Board in Occupational Safety and Health – Health and safety at Work
- Chartered Institute of Waste Management (WAMITAB) Level 4 Certificate in Waste and Resource Management
- Membership of the Chartered Institution of Wastes Management

You will benefit from working with specialists in the waste field and through the development of your technical skills, competence, and business acumen create your future.

About us

We have grown since being founded in 1900, and our commercial and municipal divisions specialise in services to both the public and private sector. We are a dynamic regional business and have stretched into the neighbouring areas to become one of the region's largest providers of waste solutions. We embrace leading-edge technology and are reducing and recycling as much waste as possible, using what's left as a resource.

We pride ourselves on our core values of:

Family ethos and commitment

Honesty and integrity

Service and quality

Innovation

Enjoyment

About you:

- Minimum of 2 A levels or equivalent
- Numerate with good writing skills and proficient in the use of Microsoft packages

- Flexible, highly motivated, and keen to develop skills
- Adaptable to work in different areas of the business
- Excellent and proven interpersonal skills
- Able to work across multiple sites with varied working hours to suit the operational area of the business

In addition, the following would be desirable:

- Demonstrable organisation and time management skills
- Team working and the ability to achieve tasks/projects independently
- Interest in the waste and recycling industry
- Full clean driving licence
