

Site Manager Wiltshire/Oxfordshire

Hills Homes Developments Ltd has an exciting opportunity for a Site Manager to join the successful production team.

Reporting to the Divisional Director, the main purpose of the role will be to manage new build housing construction on site, in compliance with approved drawings, specifications and procedures.

The Site Manager will be directly responsible for all employees and sub-contractors working on site and ensure compliance with the company's Health and Safety policy.

Key responsibilities also include:

- Ensuring that all employees and sub-contractors comply with the site rules and procedures to ensure the Health and Safety for all
- Assisting the production manager in the development of the site programme to achieve the desired targets
- Ensuring a high standard of conduct and workmanship, including site presentation and housekeeping
- Liaising with the buyer regarding main/bulk materials orders
- Building and maintaining strong working relationships with customers, suppliers, employees and sub-contractors
- Remaining current with legislative requirements and consulting with professional advisors
- Operating as the company's site representative and assisting all visitors.

Successful applicants will have relevant experience in managing construction of new build housing, have excellent communication and relationship building skills and be a team player. They will also have Site Management Safety Training Scheme (SMSTS) certification and a black CSCS card.

Please email your CV to join@hills-group.co.uk quoting the relevant Vacancy Reference HHDL018-22
