

General operative Westbury

Hills Waste Solutions is recruiting a general operative, to work at the Northacre Resource Recovery Centre (NRRC) in Westbury.

Reporting to the shift supervisor, the main purpose of the role is to ensure that the site is maintained in a clean and tidy condition and to assist with the day-to-day running of the facility. The successful applicant will also be required to assist with the operation of the mechanical biological treatment (MBT) plant, along with the control of both incoming waste streams and outgoing products.

Ideal candidates will have previous experience of working within a process-based manufacturing environment, be IT literate and have awareness of health and safety and environmental issues. Previous experience of operating fork lift trucks and/or telehandlers would be an advantage.

Normal hours are based on a 40 hour week, from Monday to Friday. The successful candidate will be required to work 8.5 hour shifts between the hours of 06:00 and 22:00 Monday to Friday and alternate Saturday mornings.

Shift one:

Monday – Friday 06:00 to 14:30 plus 06:00 to 12:00 Saturday

Shift two:

Monday – Friday 13:30 to 22:00.
