

Line Operator Calne

Hills Waste Solutions is looking to recruit a Line Operator, to work in the material recycling facility (MRF) at Sands Farm Facility, Calne.

Working as part of a team, the main duties and responsibilities are as follows:

- To remove non-target waste material as it enters the sorting process (bags, rigid plastic, waste etc)
- Remove contamination from the paper stream, at the final part of the sorting process, before entering the storage bunker
- Remove contamination from residual hard mix cardboard
- Maintain the MRF in a clean and presentable condition, cleaning litter and ensuring drains and gullies are free from debris
- Cleaning of MRF fixed plant machinery
- Maintenance of optical sorting equipment and running basis cleaning and test programmes.

Candidates must be physically fit to carry out manual handling activities. Experience within waste transport or recycling operation environment would be a distinct advantage.

LINE OPERATORS SHIFT DETAILS:

40 hours per week

Monday – Friday 13:30 to 22:00

30-minute break each day

A shift enhancement is available to successful candidates working on shift two.

There will also be a contracted requirement to work some Bank Holidays and up to 8 Saturdays per year.
