

NEWS RELEASE – 7 March 2024

Hills Waste Solutions operate to the highest levels of compliance at our Northacre Resource Recovery Centre in Westbury.

The site is heavily regulated and we work closely with the Environment Agency to monitor and manage the site in accordance with its permit obligations.

We can confirm that no prosecution action has been taken by the Environment Agency against Hills Waste Solutions or any individual employee in connection with the running of the site.

Notes to editors:

Hills Waste Solutions offers a range of specialist waste management and recycling services to both the public and private sector. It is a dynamic regional business which, while centred on Wiltshire, has stretched its boundaries into neighbouring areas to become one of the region's largest providers of waste solutions. Hills Waste Solutions is a wholly owned subsidiary of The Hills Group Limited, a privately owned family company established in 1900.
