

NEWS RELEASE – [02 May 2024]

Dodd takes on role as Deputy Chief Executive of The Hills Group

Ed Dodd, Group Director - Waste and Resource Management at Swindon based Hills Group has been appointed as Deputy Chief Executive of The Hills Group. Ed will in the interim continue to oversee waste activities for the business and will report to The Hills Group Chief Executive, Mike Hill.

Ed joined Hills Waste Solutions as Waste Facilities Manager in 2006, becoming a Divisional Director in 2012 and Group Director in 2019. Amongst his achievements, Ed was responsible for delivering the construction and commissioning of the Northacre Resource Recovery Centre in Westbury, Wiltshire.

Commenting on the appointment Ed said: *“I’m absolutely delighted to take on the role as Deputy Chief Executive of The Hills Group at an exciting time for the business. 2025 will see our 125th anniversary, so to be entrusted to help drive the group of businesses forward is an honour and a privilege.*

“I will continue to work with the dedicated and talented teams within Hills Waste Solutions and Hills Municipal Collections to oversee our waste management and treatment activities – so from the customers’ perspective it’s very much business as usual.”

Congratulating Ed on his appointment, Mike Hill, Chief Executive of The Hills Group said: *“Ed has played a key role in Hills Waste Solutions and has been pivotal in developing the business. His appointment as Deputy Chief Executive is just reward for his contribution and I look forward to working with him in the next stage of his career.”*

ENDS

Notes to editors:

Hills Waste Solutions offers a range of specialist waste management and recycling services to both the public and private sector. It is a dynamic regional business which, while centred on Wiltshire, has stretched its boundaries into neighbouring areas to become one of the region's largest providers of waste solutions. Hills Waste Solutions is a wholly owned subsidiary of The Hills Group Limited, a privately owned family company established in 1900.
