

**NEWS RELEASE – [10 June 2024]**

## **Fire at Lower Compton landfill site**

A fire was detected on the Lower Compton landfill site at 18:00pm Sunday 9th June. The incident is ongoing and emergency services are in attendance. The landfill site has been temporarily closed, but all other operations on site are open.

We are working with the Fire & Rescue Service, and other agencies, to bring the fire under control. There has been no personal injury or damage to property as a result of the fire. Advice from the Fire & Rescue Service is for local residents to keep windows and doors closed during the incident.

**ENDS**

Notes to editors:

**Hills Waste Solutions** offers a range of specialist waste management and recycling services to both the public and private sector. It is a dynamic regional business which, while centred on Wiltshire, has stretched its boundaries into neighbouring areas to become one of the region's largest providers of waste solutions. Hills Waste Solutions is a wholly owned subsidiary of The Hills Group Limited, a privately owned family company established in 1900.
