Hills sponsors Westbury youth football tournament

Hills Waste Solutions is continuing its support for community projects in Westbury as sponsors of the Westbury Youth Football Club tournament, which takes place from Friday 21 June to Sunday 23 June. Hills is providing skips and bins for recycling and waste management, to ensure that the three-day event is as sustainable and green as the grass the young footballers will be playing on.

Neil Pollard, Divisional Director at Hills Waste Solutions said: *"We are looking forward to supporting the Westbury Youth FC tournament. It will be a busy weekend for the club with 1300 young footballers expected to attend - so we hope to alleviate some of the stress involved in managing event waste and recycling, allowing club officials, volunteers, coaches, supporters and players to all focus on and enjoy the games."*

Hills is further supporting sustainability in football through its partnership with the Wiltshire Football Association and their Good Game initiative. Good Game seeks to raise awareness about how the football community can help address climate change, whilst signposting clubs and their stakeholders to ideas they can adopt to be greener and more sustainable.

Hills' banners promoting the Good Game will be on display at the tournament.

If any club in Wiltshire wants to find out more about waste management for their club or their tournaments and events, they can contact Hills Waste Solutions at www.hills-waste.co.uk.
